interpreters translation

## We speak your language

Clear Voice offers high quality interpreting and translation services throughout the UK and is the only social enterprise service of its kind.

We offer a fast and easy service that assists individuals and organisations for as little as 80p a minute. With Clear Voice you only pay for the time you use.

We work with many different sectors including public services, health care, business and justice.

We help you communicate better. Call us today on 0800 082 0872 to open your account.

# Clear Voice is the ethical choice for all your language needs

We are a social enterprise and we give all our profits to a charity, which fights human trafficking and supports migrants in need.

By encouraging recruitment from minority groups and supporting charitable work, Clear Voice is the ethical choice for organisations in need of interpreting and translation services.

## Telephone interpreting

Our automated instant telephone interpreting service allows immediate access to an interpreter.

There are no set up charges and you only pay for the time that you use, starting from just 80p per minute. Call us today to set up your account.

You can secure a telephone interpreter ahead of your appointment by pre-booking your session.

Our qualified interpreters communicate in more than 90 different languages, offering a socially aware and comprehensive service.

---

## Face to face interpreting

Face to face interpreting is effective in complex or sensitive situations where body language and cultural sensitivity may be vital.

Clear Voice can provide interpreters across the UK, we endeavour to

minimise the cost by booking interpreters as close to the desired location as possible.

These sessions are charged from £30 per hour (with a minimum booking time of 1 hour).

---

## Translation

We offer high quality translation services (written and audio) in many different languages and fields of expertise to help businesses and organisations.

Clear Voice rates are highly competitive and a tailored quote is provided for each translation project.
